What could we do better?

Students should use formal language within classrooms not impressed with 'budge', should be 'please move up'. This should be encouraged and regulated in classrooms and the playground. - [Staff will monitor this and encourage children to use appropriate language.](#)

More activities and equipment in the playground- [This is a project our student Shura are working on this year](#)

Have more clubs e.g sewing, book club, breakfast club for primary- [We are looking at increasing our lunchtime clubs](#)

Implement more Islamic mannerisms in the school for eg. Saying salam and not hi. [Staff will monitor this and encourage children to use appropriate language.](#)

Swimming – [This is planned for term 3](#)

Children to bring home at least one book a week to improve vocabulary- [All children take a reading book home every week](#)

Any other suggestions/comments

Interaction with other schools – [This has been included on the school development plan and is a target for this year, we have plans for some interschool linking in the Summer term.](#)

Healthier options for lunch- [We will work with our caterers to relook at our menu](#)

Better system for paying dinners, snack money and trip money, e.g Parent Pay- [school will look into options available](#)
